Entered as Second-Class Matter at Nogales, Arizona, January, 1898.

MAY 6, 1916.

POLITICAL ANNOUNCEMENTS.

DEMOCRATIC TICKET.

Election, Monday, May 22, 1916.

For Council:

OTTO H. HEROLD,
JAMES A. HARRISON,
W. J. NEUMANN,
B. P. GREENWOOD,
W. C. BUDGE,
L. W. MIX,
HUGO W. MILLER.

For Marshal:

FRANK M. SULLIVAN.

For Clerk:

W. H. SMITH.

For Supervisor of Streets:

PAT HANNAN.

ALL VOTERS MUST REGISTER.

Books Open at Recorder's Office and Judge Smith's Office.

On May first the great register of Santa Cruz county was opened for registration of voters who desire to vote at the coming elections.

In Nogales there are two places for registering, at the office of County Recorder Red-doch, in the court house, and at the office of Judge W. H. Smith, at the city hall.

The books will be open from 9 a. m. to 5 p. m., until the first day of September, after which

they will be closed for seventeen days, reopening on September 18th, and continuing to be open until October 15. They will then be closed until May 1, 1918.

All persons who wish to qualify for the fall elections must register at this time. Previous registration will not permit of their voting at the coming primary and general election.

The qualifications of electors are as follows: Must be 21 years of age or over; citizen of the United States, either by birth or naturalization; a resident of Arizona for one year prior to the election and of the county and precinct for 30 days; must be able to read the constitution of the United States in the English language and write his or her name, unless physically unable to do so.

The last state legislature amended the registration law so as to require that each elector must state his or her party affiliation. If a person should refuse to state his political preference, he cannot be registered, according to an opinion given by Attorney General Wiley Jones.

However, if an elector should state that he is affiliated with no political party, he may be registered. But, such an elector would not be eligible to vote in the primary for any candidate whose name appears on any of the party ballots. Thus it will be seen that this voter could not participate in either the Republican, Democratic or Socialist primaries.

Quite a bit of confusion exists regarding the qualification of foreign-born women. The following provisions of the naturalization laws cover this point:

"Any woman who is now or may hereafter be married to a citizen of the United States, and

who might herself, be lawfully naturalized, shall be deemed a citizen."

"That any foreign woman who acquires American citizenship by marriage to an American shall be assumed to retain the same after the term of the marital relation, if she continues to reside in the United States, unless she makes renunciation thereof before a court having jurisdiction to naturalize aliens, or if she resides abroad, she may retain her citizenship by registering as such before a United States consul within one year after the termination of such marital relation."

"That an American woman who marries a foreigner shall take the nationality of her husband. At the termination of the marital relation she may resume her American citizenship, if abroad by registering as an American citizen within one year with a consul of the United States, or by returning to reside in the United States, or if residing in the United States at the termination of the marital relation, by continuing to reside there."

Order to Show Cause Why Decree of Distribution Should Not Be Made.

In the Superior Court of Santa Cruz County, State of Arizona.

In the Matter of Estate of Jesus Maria Heredia, deceased.
On reading and filing the petition of Paz L. de Heredia, administratrix of the estate of Jesus Maria Heredia, deceased, and praying, among other things, for an order of distribution of the residue of said estate among the persons thereto entitled:

It is Ordered, That all persons interested in the estate of the said Jesus Maria Heredia, deceased, be and appear before the Superior Court of Santa Cruz County, State of Arizona, at the court-room of said court, in the Court House in said Santa Cruz county, on Friday the ninth day of June, 1916, at 11 o'clock a. m., then and there to show

cause why an order of distribution should not be made of the residue of said estate among the heirs of said deceased, according to law.

It is Further Ordered, That a copy of this order be published for four successive weeks, before the said ninth day of June, 1916, in THE BORDER VIDETTE a newspaper printed and published in the said Santa Cruz county.

CHANDLER SIX
\$1295

THIS IS WHY WE HAVE TO BUILD
20,000 CHANDLERS THIS YEAR

BECAUSE, in the midst of new motors, new theories, experimental engineering efforts and a host of untried and uncertain ideas, the Chandler Six stands out in the limelight as

The Proven Mechanism

There are thousands of discriminating motor car buyers who do not want to experiment. Thousands who want a *known* motor, powerful, speedy and of assured dependability. Thousands who want such a motor in a big, beautiful high-grade car. Thousands who want, with such a motor, Bosch Magneto ignition, Gray & Davis separate unit starting and lighting equipment, solid cast aluminum motor base extending from frame to frame, annular ball bearings, silent spiral bevel gear rear axle. Thousands who insist on a handsomely finished and leather-upholstered tonneau cowl body mounted upon such a chassis.

So these thousands are buying the Chandler Six; the pioneer light weight six and still the leader in the entire field of cars selling for less than \$2000.
